The Season of Advent always begins on the Sunday closest to November 30 and ends on Christmas Eve. The season always has four Sundays, symbolized by the four candles in the Advent Wreath. During the Season of Advent, the Church prepares for the Nativity of Jesus, his birth at Christmas. Because of this, Advent is a time of joyful waiting, of joyful watching for the coming of the Christ Child among us. In addition, every evening from December 17 to December 24 the Church traditionally prays the O Antiphons, as a way to help us focus in a more direct way on the birth of Jesus at Christmas.

The word "Advent" translates the Greek parousia, a word that means "arrival." The Season of Advent, then, is the season of arrival, the arrival of Jesus. It is a time of preparation, spiritual preparation, to receive the Lord when he comes among us. Because of this, Advent has two goals, two endpoints: we prepare ourselves for the arrival of the Christ Child at Christmas, but also, we are reminded to prepare ourselves for the Second Coming, when Jesus will return again among us, not as a poor baby in Bethlehem, but as the Victorious Lord, the One who has overcome sin and death. This two-fold "arrival," the First Coming of Christ at Christmas and the Second Coming of Christ is captured in the opening prayer of the First Sunday of Advent: Grant your faithful, we pray, almighty God, the resolve to run forth to meet your Christ with righteous deeds at his coming, so that, gathered at his right hand, they may be worthy to possess the heavenly Kingdom.

El Tiempo de Adviento siempre comienza el domingo mas cerca al 30 de noviembre y termina en la víspera de Navidad. Este tiempo siempre tiene cuatro domingos, simbolizados por las cuatro velas en la Corona de Adviento. Durante el Tiempo de Adviento, la Iglesia se prepara para la Natividad de Jesús, su nacimiento en Navidad. Por eso, el Adviento es un tiempo de espera gozosa, de la esperanza alegre por que muy pronto viene el Niño Jesús entre nosotros. Además, cada tarde del 17 al 24 de diciembre, la Iglesia tradicionalmente reza las antífonas de Adviento, también conocidas como antífonas O, como una forma de ayudarnos a prepararnos de manera más directa para el nacimiento de Jesús en Navidad.

La palabra "Adviento" traduce el griego parousia, una palabra que significa "llegada." El Tiempo de Adviento, entonces, es el tiempo de llegada, la llegada de Jesús. Es un tiempo de preparación, preparación espiritual, para recibir al Señor cuando él venga entre nosotros. Por eso, Adviento tiene dos objetivos, dos puntos finales: nos preparamos para la llegada del Niño Jesús en Navidad, pero también, se nos recuerda a preparenos para la Segunda Venida, cuando Jesús regrese nuevamente entre nosotros, no como un pobre bebé en Belén, sino como el Señor victorioso, Aquel que ha vencido el pecado y la muerte. Esta doble "llegada," la Primera Venida de Cristo en Navidad y la Segunda Venida de Cristo se expresa en la oración inicial del Primer Domingo de Adviento: Concede a tus fieles, Dios todopoderoso, el deseo de salir al encuentro de Cristo, que viene a nosotros, para que, mediante la práctica de las buenas obras, colocados un día a su derecha, merezcamos poseer el reino celestial.

Guadalupe: The Miracle and the Message The most important event in the evangelization of the New World occurred in December, 1531. Over the course of four days, the Virgin Mary, under the title of Our Lady of Guadalupe, appeared to an indigenous convert named Juan Diego. As a result of this encounter, and the image miraculously imprinted on Juan Diego's tilma (cloak), nine million Native Americans embraced the Catholic faith, and the Americas began its transformation into the Catholic hemisphere. Our Lady of Guadalupe's message of love had replaced the institutionalized violence of the Aztec culture and built a bridge between two worlds.

Guadalupe: The Miracle and the Message traces the history of this transformative event from the 16th century to the present. Featuring interviews with leading theologians, historians, and experts on the scientific inquiries into the miraculous image, this gripping film explores both the inexplicable mysteries behind the image, and the continued relevance of the Guadalupe apparition to the modern world.

Guadalupe: El Milagro y el Mensaje El evento más importante de la evangelización del Nuevo Mundo sucedió en diciembre de 1531. En el transcurso de cuatro días, la Virgen María, bajo la advocación de Nuestra Señora de Guadalupe, se le apareció a un indígena convertido llamado Juan Diego. El resultado de este encuentro, y de la imagen milagrosamente impresa en la tilma de Juan Diego, fue que 9 millones de indígenas de América adoptaron la fe católica, y el Continente Americano empezó a transformarse en el Hemisferio Católico . El mensaje de amor de Nuestra Señora de Guadalupe sustituyo la violencia institucionalizada de la cultura Azteca y construyo un puente entre dos mundos.

Guadalupe: el Milagro y el Mensaje relata la historia de este evento transformador desde el siglo XVI hasta el presente. Con entrevistas con importantes teólogos, historiadores y expertos en el análisis científico de la imagen milagrosa, este conmovedor documental explora con el mismo entusiasmo los inexplicables misterios que se encuentran tras la imagen, y la actual importancia de la aparición de Guadalupe para el mundo moderno. To the people of the Diocese of Little Rock.

One of my most valuable vehicles for evangelization is our award-winning Arkansas Catholic newspaper. We are one of the smallest dioceses in the country to be blessed with a weekly diocesan newspaper, which enables us to provide you much information about our faith and the life of the Church in a timely way. Pope Francis has called for a missionary transformation of the Church and so I have consulted widely about how to extend the reach of our newspaper beyond the relatively small number of paid subscribers who currently receive the paper in print or digital form especially in the light of the conversion of secular newspapers like the weekday edition of the Arkansas Democrat-Gazette to a totally digital format. And so I am happy to announce that effective immediately, we will now make the digital version of Arkansas Catholic available to everyone free of charge. The print version will remain available for those who prefer it at the current Subscription rate. We are able to make the digital version available for free thanks to your donation to CASA, Catholic Arkansas Sharing Appeal. Here are Quick Start instructions regarding how to access the digital version of the Arkansas Catholic:

St. Augustine - The Teacher

Perhaps the premier example of how faith in Christ can change a person St. Augustine's narrative of personal transformation provides a template for life in Christ that still captivates today. In an age when people insist upon sharp demarcations between spirituality and religion or between Christ and the Church St. Augustine provides a unifying way forward. We do not have to choose one or the other but are chosen by Christ for his Church.
